

TOWN OFFICIAL IS QUITE WROTH

(SPECIAL TO THE TIMES)
Dyer, Ind., April 28.—Marshal H. C. Batterman of this place takes the criticism of "Citizen of Dyer" regarding the roads very much at heart and in a red hot interview authorized THE TIMES to quote him as follows:
"Concerning Dyer and its people, making complaints concerning the present bad condition of the Dyer public roads, it is possible that this has been sifted down to one individual. It is a matter of fact, that this individual, who is so wrought up over the condition of the roads, is playing in a manner of great helpfulness towards these roads, by overworking the reporter. I feel at this time, that there is an injustice being done by this impostor. Furthermore, the Marshall, of the town of Dyer, will gladden the heart of this individual, with a GOLD medal, if HE will contract to carry the materials necessary for repairs, from Monon, Ind."

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them. Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week and note the pleasing effect. 10c and 25c a box.

to the town of Dyer, with his hot air instead of wasting it making complaints.
This individual goes back to the time of several years ago, when the roads were in better condition than at the present time. He fails to remember that 1920 is not 1910. Moreover he has given no consideration to the fact that the traffic is now more than ten times as heavy as it was in 1910. And he also fails to remember that there is a big railroad strike on at this time, which makes it impossible to obtain materials.

There is talk around the corner, down these useful streets of Dyer, up against the big ash piles, and old tin can piles, that if PROMINENT CITIZEN wants to have conditions regulated in a way that is acceptable, and pleasing, to the citizens of Dyer, he should first start on his own side of the fence. It is also newsed around that this individual is an unsafe fellow to be left running at large. There is no question in the writer's mind but what this would-be PROMINENT CITIZEN, ought to be confined to some feeble minded institution, and will sooner or later land there.

As to the potato patches, which were boasted of, along Hart street, there has not been a single application filed with the clerk for their rent. It is possible that the high price of seed potatoes, may be the excuse for the failure of this bluff.

Please bear in mind, that I am not using the name of "Citizen of Dyer," to reply to this individual, who is ashamed, or too cowardly to sign his name to the two articles, which were printed in THE TIMES, under the dates of April 21 and 22nd. You will find my name signed in full.

H. C. BATTHERMAN,
Marshal of the town of Dyer.

HEAL SKIN DISEASES

Apply Zemo, Clean, Penetrating, Antiseptic Liquid

It is unnecessary for you to suffer with eczema, blotches, ringworm, rashes and similar skin troubles. Zemo, obtained at any drug store for 35c, or \$1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases.

Zemo is a wonderful, penetrating, disappearing liquid and is soothing to the most delicate skin. It is not greasy, is easily applied and costs little. Get it today and save all further distress.

ON SATURDAY MAY 1st

If you want to secure one of the best garden sites or business lots in Hartman's Gardens, you will have to be there by 8 o'clock in the morning, for we have already received enough inquiries to make us believe that every garden site will be sold out by the time the clock strikes six that night.

Come Out to Hartman's Gardens

Next Saturday. You will be welcomed whether you buy or not; and the sale will start, rain or shine.

We are co-operating with the citizens of Hessville—so we have placed a minimum cost of \$2,000 on any residence that may be built on Hartman's Gardens. We have also set a building line of 35 feet for all residences.

Kennedy Avenue, the main thoroughfare of Hartman's Gardens, is an 80 feet wide boulevard, with a poured asphalt macadam pavement of 24 feet. It is one of the most important avenues in all Lake County, for it is the only avenue that directly connects the hustling cities of Hammond and East Chicago with the rich farming community to the southward. Electric lights are available right now on Kennedy Avenue, and steps are being taken to provide electricity for all streets in Hartman's Gardens just as soon as the Indiana Supreme Court decides on Hessville's status as a separate municipality. We are going to petition for street lights at the street intersections. Also Arizona Avenue is paved with macadam. Adams Boulevard is to be 80 feet wide.

You can raise most all of the usual garden vegetables on Hartman's Gardens. Old William H. Hartman, the former owner of this site, and one of the pioneer residents of the Calumet District, maintained up until a few years ago one of the best producing vegetable and grain farms in this section. He grew radishes, onions, beets, tomatoes, potatoes and rhubarb in the garden. And in the fields he raised big crops of wheat corn and oats. With some fertilizing today, this same old farm can be made to produce just as much as it did some few years ago.

100 feet wide by 135 feet deep is the average size of a garden site in Hartman's Gardens.

\$275.00 on easy terms of 10% down, when you buy your site, and only 3% per month, is the average price for "Hartman's Gardens Sites".

You pay no taxes or no interest the first year in Hartman's Gardens. If you ever bought any real estate under a contract of sale, you no doubt realize what the interest and tax charge was the first year. And then to think that with all the good things that the country gives you you can still get all the good things that the city gives you, for in Hartman's Gardens it only takes you 10 minutes on the Gary & Interurban Electric line to get to Hammond, and only a short time longer to get to East Chicago.

Saturday May 1st Will Be the Date of the Sale—"COME ON OUT"

Our office on Hartman's Gardens is open every day. If you want us to take you out there, phone Hammond 140 and one of our autos will call for you.
